MAINE STREET JAZZMEN

Exceptional Live Jazz For All Occasions!

Hello, and thanks very much for visiting our website.

We are the MAINE STREET JAZZMEN, and we are active on the North East of England jazz scene.

This our home page where you will find links to web pages giving details about our forthcoming gigs ,contact & booking information, general information, our Demo CD , and CD & DVD information .

We feature some very experienced and talented local musicians in our line up, and we can be heard for free on many of our regular local pub gigs, which are well supported.

We also play at various local jazz clubs in the North East of England on a regular basis. Follow the link to view our GIG List where you can find out where we are playing in the near future.

We have some Demo Audio material, which you should be able to listen to, by following the link to the Demo CD page . We also have some recent video recordings of the band which can be viewed via YouTube, there are links to these videos on the Demo CD Page also.

We also currently have 4 CD's for sale, just follow the links on the menu to the CD's page.
